## REGULAR REPORTS

5. **Playing Field:**
  - 5.1 **Chairman's Report, including update on work on Chapel Lane:** The Chairman met with the County Council's Footpath's Officer, Ms Charlotte Horner, on 4 January 2011 and agreed with the contractors the work required to make Chapel Lane into a proper footpath. Funds have been irrevocably committed and so although the work has been delayed due to the adverse weather, it will be completed as soon as possible. Drainage ditches along each side of the pathway down to the stream are planned together with a ballast surface. The County Council is aware that the pathway also serves as access to Chapel Lane farm and is used every day by heavy farm equipment. It was noted they can require the farmer to keep the footpath in good order.

Various other "DIY" tasks will be completed once the weather improves: Grouting of the rubber tiles; repairing the sandpit; and replacing the rotten fencing around the car park. John Oakley is committed to removing the excess earth from the cemetery once the ground is hard enough and to clear the ditch on the playing field. The Chairman has arranged for Paul Martin to look at the telegraph poles forming the fencing around the car park and to replace the two fence panels on Church Lane, through to the cemetery using slide-in panels and a removable post. A bin for the cemetery was discussed and it was agreed that Parish Councillors will try keeping the area tidy by using the Church bins for the time being.

- 5.2 **Lyddington Tennis:** The meeting scheduled for 9 December 2010 was rescheduled for 13 January 2011. Cllr Westwood will attend and is awaiting a signed copy of the October 2010 minutes. The accounts for the calendar year 2010 are being prepared by Lucinda Cracknell.
